TABLE OF RATES.

- Conductors will, in all cases, collect twenty-five (25) cents more than regular tariff rates, on all fares collected by them from stations at which tickets are on sale. In case extra fare is not collected, they will state the reason on their report.
- All Conductors will make a report of each trip, noting the number of Tickets collected, and the amount, together with the amount to the Conductor, (providing money has been collected on the trip).
- Conductors will enclose their Tickets—Passes (and reports of the trip—when no money has been collected)—to the General Ticket Agent. These reports must be forwarded promptly at the end of each trip.
- Conductors will note on their Reports all Passes (except as well as trip) stating by whom they are issued, the station from and to which they are going, and the office, employment, or other designation given them in the pass.
- Conductors will collect Fare only as far as they accompany their Trains.
- Conductors are expected to be governed strictly by these regulations, in the discharge of their duties.
